D.O. No. P 224/Enc. 1.

Camp Bhadravati,

18th January 1923.

My dear Sir,

I enclose herein a copy of the confidential D.O. letter dated the 15th instant received from the Hon'ble the President on the question of Surplus revenues. The letter takes a most extraordinary position and I do not know what further arguments Mr. Barton wants in answer to the view taken, as we have almost laid threadbare the whole case in our several communications - both official and demi-official. I am, however, preparing a draft which I shall submit for His Highness' approval in a few days.

Yours sincerely,

Sd/ A. R. Banerji.
